Luxembourg Office

Junior Accounting & Financial Analyst – Internship

Description of the role:

As Junior Accounting & Financial Analyst you will be a part of the Control, Reporting and Financial Planning team and you will be involved in:

- Update of accounts payable, bank reconciliation and month-end closing.
- Analysis of accounting impacts of financial operations, including derivatives, bonds, loans and other transactions.
- Timely and accurate preparation of financial reporting.
- Definition of the annual and interim Financial Statements under IAS/IFRS (Consolidated) and local gaap (Statutory).
- Support in the external auditing process.
- Definition and monitoring of the Forecast, Budget and the multi-annual plan.

Knowledge & skills required:

Analytical skills, critical thinking, precision, quality focus, good organization and proactivity.

Good knowledge of local accounting principles and/or IAS/IFRS.

Good knowledge of MS Office (Excel in particular, Access/VBA/SQL are a plus).

Knowledge of SAP would be a plus.

Good knowledge of Italian language is mandatory.

In order to apply for this position, we kindly ask you to send your CV to the address recruitment@tifinance.lu and to fill the form you can find at the following link:
